

Eon Workbook

There are many ways to reach the place of perfect knowledge and its attendant quality, perfect peace. The cultivation of detachment is always the beginning, but once one has attained detachment, there is a need for purification. These lessons are intended to give you a sense of your capacity for detachment, and to start you gently on the road to purification. Eon Workbook is a series of 104 progressive spiritual exercises. Using the tools of imagery, affirmation, prayer and ritual, Eon guides the practitioner into the awakened life. Eon is a channeled guide who has lived on Earth many times: We have come during a terrible time in your human incarnations: the Age of Fear. We are attempting to help ease your humanity into the next era in its history, the Age of Hope. We wish you to understand your Holiness, your Divinity and your inherent and unadulterated goodness and beauty as incarnations of the Holy Spirit. You are not meant to become dependent on other or outside wisdom, dear ones! You are meant to know your heart, and follow your heart.
