

A New Dawn Awaits - The Times Ahead and How to Shift Your Consciousness

Humanity is at a crossroads - the future is ours to choose. The coming years will be full of unprecedented challenges on many levels - spiritual, physical, emotional, and financial. Those who will best survive this transition will be those who are willing to shift to the next level of consciousness and a new way of being. In this channeled work, E. Dee Conrad brings together the wisdom of the ages and shows us how to access the knowledge that has been part of our consciousness, but has been dormant for eons. The time has come to reach inwards into our divine essence and outwards to the energy that connects us as ONE humanity. This book is a powerful reminder that the end is not near but the future is - humanity is poised to reclaim its magnificence.
