

Song of a Longing Heart: Fresh Insights on Song of Solomon

Pastor and author David Roper guides you on an illuminating journey into the rich and wondrous book of the Song of Solomon. Roper writes, The Song can be understood on two levels—divine and human, and with new insights on historical context, Song of a Longing Heart helps you peel back the layers and difficult symbols to reveal a love song that rings true today. But the Song is more than just a love ballad. There is a deep wisdom in the Song, which offers an antidote to our sex-saturated but wholly unsatisfied world . . . an answer to our search for the meaning of human sexuality. At its most literal level, reflecting on the passion and energy of new love, the Song offers you a refreshing, inspiring picture of how God intended man and woman to come together as husband and wife.
