

Secrets of a Creativity Coach

Eric Maisel is one of the most elegant creativity coaches on the planet. The beauty and simplicity of his work are clearly illustrated throughout *Secrets of a Creativity Coach*, in which he shares real life examples of his work with various clients. He exemplifies the delicate mastery of an Aikido Black Belt and allows even the novice coach to see how effortless it can be to empower people to fulfill their desire to create!-Dr. Rosie Kuhn, Founder, Transformational Coaching Training Program ** Eric Maisel's book provides an honest portrayal of the joys and rigors of coaching the creative spirit. He zeroes in on core issues with admirable precision, and provides students of the creative process, and artists alike, with a useful road map through the twists and bends of creative work.-Dr. Louisa Foster, founder The Center: Creative Arts Therapy, Mindful Living & Psychotherapy. **

When I read *Coaching the Artist Within* I felt like Eric Maisel had reached inside me with his wisdom and guidance. With his new book, *Secrets of a Creativity Coach*, I'm bowled over by the power of his work. It's thrilling to read these expert interactions with clients and to see my reflection in their artistic struggles. I've learned so much about coaching by reading Eric's simple and heartfelt responses. It's like riding shotgun with a master. Reading this book, I feel encouraged to be better in everything I do.-Steve Harper, TV writer, playwright, actor, and founder, *Your Creative Life*
