

Note-Taking Manual: A Study Guide for Interpreters and Everyone Who Takes Notes

Many people have the need to take notes: interpreters, attorneys, health care providers, and students, among others. Some try to learn short-hand, a complex system which requires several months (even years) of practice to master. There is a widely unknown but simple alternative to take notes more clearly and efficiently. Jean Francois Rozan and Andrew Gillies, two pioneer conference interpreters, provide techniques to significantly streamline note-taking. Although originally created for interpreters, these practical guidelines are extremely helpful to anyone who takes notes. The Note-Taking Manual will help you master note-taking symbols as well as Rozan and Gillies techniques. You will acquire up to 40 new symbols through dictations (available as free audio files at www.interpretrain.com/audio). Each exercise offers a sample of notes to compare with your own and discover additional tips. These educational tools will help you become the best interpreter and/or note-taker you can be. For best results, please see Interpretains 10 Lessons to Excel at Consecutive Interpretation. Our multimedia training package is composed of videos, audio, and two manuals to help you master consecutive interpretation. The program takes you step-by-step through: multi-media classes, drills, exercises, dictations, and evaluations.

MSGs analysis Professional news analysis Search the site Menu HomeTrendingOur ArticlesAbout UsContact Us Be Environmentally Friendly With These Green Energy Tips Something that several people don't realize about green energy is that it saves money on electricity for your home! While there are numerous benefits for the environment, going green is expanding your knowledge of landscaping to improve your home. For some people, the thought of a well-manicured lawn and beautiful landscaping, is only a reality for large mansions and wealthy home owners. There are a lot of things to solve your acid reflux puzzle thanks to these tips. Everyone knows that a person with acid reflux suffers from discomfort and pain each day. You really can control the acid as long as you learn what steps to take. Business & Economics books? the correct choice to achieve success in the sphere of business. Economics deals with the analysis of human behaviour on choice and the line of attack applied to make related investment and decisions on production? particularly how those decisions are made.
