

# 3D exploration Encyclopedia Animal Planet: Survival of competition (comes with red and blue 3D glasses)(Chinese Edition)

Paperback. Pub Date :2014-03-01 Pages: 64 Publisher: Yunnan Publishing Group

3D exploration Encyclopedia Animal Planet countless hidden mysteries. This struggle for existence will introduce you to capture the animal food and to protect themselves. In the prey, the animals have done their best, and some speed to win, like a leopard; some with poison expert, such as scorpions; others rely on the collective strength of common hunting, such as hyenas, lions; well animals can transmit current, stun prey, such as the electric eel. In the face of a predator attack, prey animals also have a variety of defensive tactics, camouflage is one of the most commonly used means of animals, or change the body color, or change the shape of the body to melt with the surrounding environment is one, so that predators difficult to find; There animal sounds to confuse predators audiovisual, and som...
