

The Tarot Therapy Deck

The Tarot Therapy Deck has been created to express the underlying energy of each Tarot card, allowing the individual to relate to them in their own way. This book is the companion to the deck. The cards show this energy in the natural world, which we are part of and intrinsically linked to. It is this energy that we have an instinctive relationship with. By relating to this connection through the cards we can utilise this causal level to absorb, accept and grow. The Tarot Therapy Deck then becomes a therapeutic guide, inspiring us to live a life of empowered passion. The structure of the Tarot deck is the same as that of the human being and the Tarot Therapy deck is a celebration of the sacred energy that exists in all of us and the world in which we live. This book is the essential guide through the deck, offering a full explanation of every card, the background to its creation and how to use it.
