The Skulls are living Intelligent Beings with vast Libraries of Knowledge & Wisdom that was once only available in mystery schools to a select few. Imagine life before alphabets, writing, books, newspapers, internet, recordings, computers, CDs, DVDs, calculators, video games and all things digital. Take your awareness to that ancient time there they are the Original 13 Crystal Skulls. Remember that radios, television and computers all use electropiezo quartz chips to transmit and receive sounds, words and images. Think about how much information a computer chip holds and expand that to a crystal the size of a human head and multiply by 13. It is almost beyond comprehension in the vastness of information available. The conversation begins here with Question # 1: How do we bring the teachings and information of the Skulls forward? Answer: The Original 13 Crystal Skulls have NEW information to come through regarding Truth, healing and transformation. Use the Akashic Records and Shamanic Journeys to work and speak with each Skull individually and with the Earth to help with the shift. All will be revealed. The Kogi, Mayan and Hopi Elders say that prophesies exist so that we can change them and shift the paradigm bringing forth new awareness of an energy field of interconnection; relationships with all aspects of the world, seen and unseen spirits; balance; equal partnerships between men & women; a world of cooperation with all life, honoring the Earth as a living soul needing love and care. Love every living being. The 13 Singing Skulls will teach us how. The
