

Cooking For One or Two: Appetizers

Hate throwing out wasted food because you're so sick of leftovers you could gag just looking at them? Hate spending a fortune making restaurateurs rich? Love home cooking? Want to impress someone special? Want to save money, your sanity, and relax at home? Check out the series *Cooking for One or Two*, starting with the first book, *Appetizers*. Pamper yourself with mini quiches, dips and canapés. Enjoy your own cocktail or mocktail hour with these. Make two or three appetizer recipes and call it a meal. In this and the next books to appear in the series, Kath Urbahn will help singles and couples learn how to prepare foods with confidence, and eat a huge variety of meals, eliminating mealtime and snacktime boredom. If you're tired of either throwing money in the trash in the form of spoiled food, or giving it all away to avoid throwing it out, this series is for you. Watch for the rest of the books in the series in order: Soups and Stews, Casseroles, Wraps, Main Course, Sides, Salads, Desserts.
