

The Entrepreneurs Apprentice

In the highly competitive world of free enterprise, there are four indisputable facts.

Every day companies must compete for market share. The only way to grow your business is to take market share away from someone else. The core values and the guiding principles that are hallmark of every successful small business are not a wish list; they are a must list. The three most overused yet seldom achieved words in the business vernacular are Total Customer Satisfaction. Nothing will ever be more important to the long-term success of your business than your ability to create brand equity. The Entrepreneurs Apprentice is your personal masters class in how to build a highly successful small business. It is full of original concepts, principles, and strategies that are guaranteed to breathe new life into your business. See how the Quadrant Leadership Model takes employee development in your company to a new level. Learn how to create the kind of brand identity that builds long-term market share. See how your personal insight and influence can have a profound effect on the mindset and the culture of your company.
