

Cost Reduction How to Survive, Recover, Thrive

The immediate cost reduction needs for your organization will depend on the general economy, the particular sector of the economy you participate in, and unique characteristics of the organization. You may need to survive, or to recover, or to prosper at different times of your existence. This book offers hands-on options for all economic phases, for all levels of the organization chart. Cost reduction and control are reliable strategies in any business phase, with benefit likely to be much higher than the cost.
