

Auras: A Beginners Guide to Sensing, Seeing, and Working with the Etheric Body

Auras are magickal fields and energies that surround us, are part of us, and which suffuse the world in which we live. Gaining an ability to sense them, to understand them, and to be able to work with them is like gaining a new ability to see and live in the world. This book provides essential information needed to become aware of and to start to work with Auras. Simple techniques are described for seeing your own aura and those of others. Learn to see their patterns, colours, and to interpret them. At least as important are instructions for the preservation, cleansing, and maintenance of your own aura, which can substantially increase your sense of self awareness and wellbeing. This book also contains a section on nature spirits, devas, and elementals.
