

Las Trampas del Ingles (Idiomas) (Spanish Edition)

Las trampas del inglés muchas particularidades léxicas de la lengua inglesa constituyen auténticas trampas para los hispanohablantes (traducciones literales e incorrectas, términos ingleses que tienen correspondencias múltiples en español, preposiciones que cambian el significado de los verbos). El objetivo de este manual es precisamente sacarlas a la luz para conocerlas y sortearlas con éxito. En este libro encontrará las claves para evitar todas estas trampas y para escoger correctamente la traducción más adecuada en cada contexto y en cada situación. Además, como los usos de una lengua solo se aprenden con la práctica continuada, incluye una amplia batería de ejercicios y soluciones para que pueda comprobar en todo momento sus progresos.
