

Surviving Ned Johnson

Surviving Ned Johnson is an often funny, sometimes sad, but always insightful look into the friendship of two men. Edward Ned Johnson III, the subject of this memoir, is CEO of, and the guiding force behind, Fidelity Investments, one of the worlds largest financial services organizations. Hes successful, secretive, and complex. The author, Richard Dick Larson, is a self-made man who became friends with Ned Johnson for thirty years. The encounter was fascinating, often comedic, and ultimately turbulent. Some friendships last. Some dont. This book is the authors vivid recounting of their time spent together.
