

Rocked: Chelsie Valdar Saga, 1

The Apocalypse is coming...in one week. Chelsie Valdar and her brother are modern-day Viking warrior teenagers. They must find a mystical sword belonging to their ancient ancestor and flee to safety at a secret shelter, if they hope to survive. As the clock ticks, several Bigfoot and an outcast werecat become invaluable friends helping with the search for the sword and offering supernatural protection. Misfortune haunts their every move. Conflicts delay their progress. Especially when a devious and deranged enemy is infatuated with Chelsie and hungers for the sword, desperate to escape to the shelter with Chelsie by his side. Time is running out.
